ABOUT US

With more than 25 years of experience in the manufacture of equipment for hotels and collectivities, at Ghesu we specialise in offering customised, high quality solutions.

We focus on the contract channel, manufacturing our products in our own facilities and allowing us to adapt them to the specific needs of each client.

Our goal is to transform spaces into environments of beauty, comfort and safety. At Ghesu we guarantee finishes that integrate perfectly into any design, consolidating our position as a leader in equipment for the hospitality industry.

OUR CLIENTS

OUR MISSION

At Ghesu, we are committed to offering exceptional quality solutions through a wide range of products mainly manufactured in Spain.

We work with noble materials such as stainless steel, brass and copper, and we collaborate with suppliers of proven qualification and quality both nationally and internationally.

Our commitment to the customer and our attention to detail guarantees a personalised and exceptional service, serving more than 80 countries with our local network and through our network of distributors.

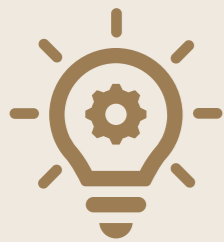

OUR VISION

To become a global reference in customised manufacturing solutions, where quality, innovation and commitment to the customer are at the heart of our business, inspiring confidence and satisfaction in every hotel and facility around the world.

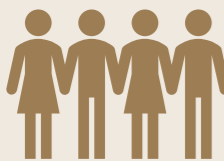

OUR VALUES

Development and innovation

Our team designs, develops and innovates high quality and design solutions for the hospitality industry, aiming to create comfortable, innovative and functional spaces for guests and staff in hotels around the world.

Our team

We have a team of highly skilled and motivated people who create synergies that translate into quality work, an excellent culture and a strong commitment to the company. We work with flexible environments and family reconciliation, putting our people first.

Personalisation

Our status as a manufacturer gives us great scope for customisation, adaptation and versatility of our products. We can adapt sizes, finishes and shapes and bring innovation to life as if it were a made-to-measure suit.

OUR VALUES

Manufacture in Spain

The soul of our brand is the commitment to the national manufacture of our products, made of stainless steel, brass, etc. which results in top quality raw materials for bathroom accessories and hotel room complements.

Sustainability

We look to the future as a company that listens and moves forward by working with efficient and sustainable processes. We focus on the quality and durability of our products, extending their useful life and reducing the need for remanufacturing.

Customer focus

The people who work at Ghessu and all the work processes are focused on providing the best customer service. From the generation of information to the resolution of doubts, from the management of incidents to commercial management, we accompany each customer in their experience with us.
